Date: 30.07.2021

## **Note to the Chairman**

**Sub:** Greater Chennai Corporation - Chennai Smart City Limited - Chennai Innovation Hub(C-HUB) - GCC Online Vaccination Portal- Request for operational cost - Reg.

-----

Greater Chennai Corporation, true to its responsibility towards the city has taken several measures to combat the Covid -19 pandemic and one such effective measure is vaccination. As vaccination is critical to ending the COVID-19 pandemic, GCC is exploring all avenues for effective and mass vaccination of the citizens.

In order to achieve this, an online portal has been developed for the citizens to easily book slots in the corporation-run vaccination centers. The Online portal was developed through Chennai innovation Hub (C-HUB) with the help of volunteers and emerging start up companies. This was carried out as a voluntary exercise free of cost.

The link of the online portal is <http://gccvaccine.in/>. The Online vaccination booking portal includes

- A robust server infrastructure to ensure that the system is stable even if lakhs of people visit the website
- A backend structure that allows corporation officials to update the daily online vaccination slot numbers and generate reports on the booked slots
- An easy to use bilingual web portal that allows people to book vaccination slots with a simple SMS OTP system.

The SMS OTP system allows people to log in using an OTP sent to the respective mobile numbers and once the slot is booked a confirmation SMS is also sent. Based on the confirmation SMS the centre vaccinates the person.

The number of SMS sent is based on the availability and booking of vaccination slots and this varies on a day to day basis. Approximately 4 lakh OTPs are being sent through this portal every month and the usage of SMS is chargeable . GCC has engaged M/S. IMImobile Cloud Communications (India)Private Limited to handle this and an approximate amount of Rs.2,00,000/- is needed for five months.

Hence order of the Chairman is requested for authorising an amount of Rs. 2,00,000/- (Rupees two lakhs only) as initial cost for running the GCC Online vaccination portal.

CEO, CSCL

Managing Director, CSCL

Chairman, CSCL

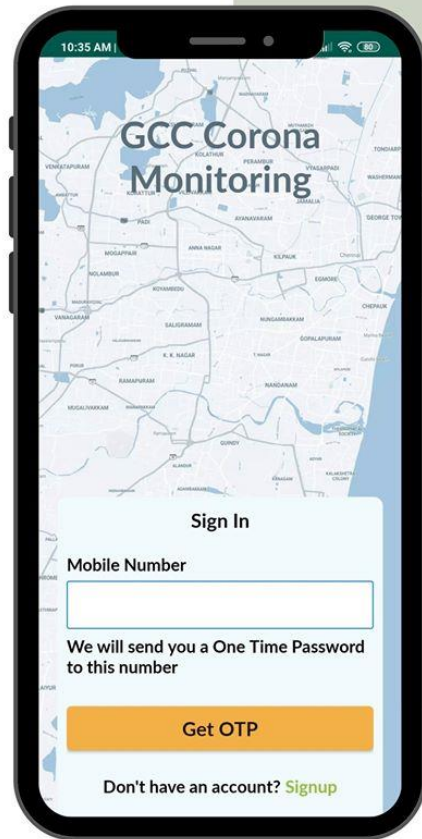

## The Prisoner's Dilemma

	B stays silent (cooperates)	B betrays A (defects)
A stays silent (cooperates)	Both serve 1 year	A serves 3 years, B goes free
A betrays B (defects)	A goes free, B serves 3 years	Both serve 2 years
